Our Week in School

Today we are holding our first Open Afternoon for the children in Acorns – it will be fantastic to see all the parents in school and we know that the children will love sharing their work with you. We are looking forward to repeating this with Saplings class next Friday. Please arrive in school at 2.45pm and then you will be able to stay until the end of the school day with your child.

World Book Day

Today we have celebrated World Book Day in school – it has been fantastic to see all of the children dressed up and taking part in activities linked to reading throughout the day. We all had lots of fun and enjoyed sharing our love of books across the school. Be sure to check our Facebook page for photos and news.

Parents' Evening

Thank you for the feedback on your preferred way to attend parents evening. There was a 40/60% split so we have decided on a 'hybrid' system for Parents' Evening this time. Therefore, the face-to-face meetings will take place in school on Wednesday 23rd March and the online Teams appointments will be arranged on alternative evenings of that week. Information will be sent out in due course so that you can book an appointment slot with your child's teacher
