Our Week in School

Another busy week of Science! Tall Oaks continue to learn about the heart and circulatory system and have been investigating resting and exercising heart rates, Saplings have been investigating whether water is required to germinate a seed and Acorns Class have been investigating different habitats and found lots of exciting creatures sheltering in the school pond!

Small Schools Swimming Gala West

Yesterday afternoon, our swimming squad consisting of Jack, Dottie, Emma, Niamh, Sam and Harry represented our school in the gala. Due to illness in both our teams and others, this year children were permitted to compete in more than one race. For us, this meant that some children competed in older year groups. They were absolutely amazing placing us 3rd overall. Special mentions should be given to Emma (1st in the year 5 girls breaststroke) and Niamh (1st in the year 5 girls freestyle) and to both the relay teams who finished second in their respective races! Every child swam in the relay, earning us valuable points! They were outstanding in their mature attitude & behaviour, supporting each other and trying their very best. True ambassadors of our school.

Virtual Basketball Competition

Last half term, the children in Tall Oaks competed in the Virtual Basketball Competition run by the LSLSSP. I am delighted to say that we were awarded the Spirit of the Games – Participation and Engagement Award in the Lutterworth Lions area. A fantastic achievement. In total there were 3,185 contestants from 18 schools across South Leicestershire.

Quick sticks (Hockey) Tournaments

The year 3 /4 and 5/6 Quicksticks hockey teams will be competing in the local tournaments next week. All the children who completed the forms will be playing in the matches. Good luck to both teams.

Red Nose Day

Next Friday (18th) we shall be wearing something red to support Comic Relief. The School Council will be running a '**Design a Red Nose**' competition and children can tell a joke in assembly, with a prize for the funniest nose and funniest joke from each class. Further information will follow on Monday.
