GALS & LADS

As part of our membership package with the LSLSSP, the children in Tall Oaks are all invited to take part in an additional sporting activity. This initiative is usually intended for children in years 5 & 6, but due to small numbers, we can extend it to the children in Year 4 too. The idea is that they are introduced to a sport that is not usually available in primary school. The girls will have 5 sessions of cheerleading and the boys will have 5 sessions of archery. Further details have already been emailed to the parents of the children in Tall Oaks. This is a wonderful opportunity for all the children.

Covid update - 0 Cases in school this week

Our Week in School

What a wonderful term we've had! It has been so nice to see so many people in school and to restart some of our long-standing traditions, that have been unable to take place as normal over the last two years.

We wish you a wonderful Easter break and will see you on 25th April ready for our busy Summer Term.

Sausage Breakfast, Egg Rolling and Easter Service

It was wonderful to see so many parents and carers in school today. We had a sausage breakfast which was funded by our school community and the sausages were expertly cooked by Mrs Hepworth who kindly came into school early this morning.

Egg Rolling was, as always, a fun and 'egg'citing event. Our winners were – Joshua H, Ivy, Maia, Jack, Poppy M, Emily and Freddie T. Our Year 6's were sad to be taking part in their last egg rolling event at South Kilworth and our Foundation stage were very excited to find out all about our unusual tradition!

The Easter service was also very well attended and the children did a wonderful job of telling the Easter story.

Lambs and Chicks

This afternoon we had a visit from 4 lambs (two of which were born only yesterday) and some fluffy chicks. Every child, who wanted to, was able to hold a lamb and a chick. Mrs Dunmore will endeavour to send you copies of the photos as soon as possible. Thank you to Mrs Shearn for giving our children this wonderful opportunity.

Move it March

Congratulations and a huge well done to all the children and staff who took part in 'Move it March'! Twenty-one children returned forms having achieved the platinum level of activity which is a total of 250 minutes each. At least 275 points have been awarded to the Lutterworth Lions from this project as these figures don't include all the scores from the children whose results were entered on-line. The winning class will be announced in due course. Thank you also to the parents for encouraging your children with this project and helping us to help them learn the importance of physical activity in every-day life.

Awards

Class Trophies for this term were won by:

Acorns – Hattie Maloy

Saplings – Callum George

Tall Oaks – Joey Taylor

Well done all!
