

South Kilworth Sport Premium 2017-2018 Review

Provision	Focus Area	Cost	Focus and Impact
To buy into LASA sports package and affiliation with Lutterworth section of Leicestershire and Rutland School Sports Association.	Increase in the amount of competitive sporting opportunities for pupils and the number of pupils participating.	£1,500	Access to the development of teaching and subject knowledge in physical education for PE subject leader and other teaching staff. Access to the School Games and coordinated local competitions, higher participation. Winners of some of the following Lutterworth area schools competitions: see participation list on school games mark .
	Success in a wide range of local competitions.		Participation and success celebrated on Twitter and via school newsletter.
	Achievement of School Games Silver Award.		Achieved.
	Support for PE subject leader.		PE leaders facilitated to organise competition and become more confident in monitoring and assessing standards in PE.
	Sporting ambassadors well trained supporting PE within school.		Sporting Ambassadors trained and effective in supporting PE in school.
Staff development of teaching physical education and physical literacy.	Staff have acquired new skills.	£300	Positive feedback from staff on quality of courses attended and impact training has on teaching and learning. Staff upskilled through attendance at training.
	Increase in attainment and progress of children in relation to fundamental movement skills, physical fluency and key competencies across all areas delivered in PE.		A range of activities to engage pupils who are often reluctant to participate in extra-curricular sports activities were provided, including archery, Frisbee, gymnastics, scooter and skate day, which raised the level of enjoyment and competency. In general the uptake for after school sports clubs is better with a good range, but not always well attended.
Medals for sports day and swimming gala to reward children's achievements.	Achievement of children recognised. Participation encouraged.	£50	Positive feedback from children, PE coordinator. In school competition encouraged and participation in sport encouraged by all. Medals popular with children.
Sporting Ambassadors – Sports Achiever of the Year Award to reward sporting achievements within and beyond school.	Sports ambassadors well trained, children encouraged to participate in sports within and beyond school. Achievements recognised.	£10	Feedback from children, PE coordinator. Profile of sports raised. Participation and success encouraged and recognised within and beyond school. Sports Ambassadors wrote own certificates to encourage and reward good sportsmanship as well as recognising other pupils' physical skills.
Replace existing climbing and outdoor equipment and pathways to access areas used during PE lessons and break and lunchtime activities.	Improvement in quality and challenge of outdoor climbing equipment. Climbing equipment being used to enhance PE sessions.	£5900	Equipment has proved to be extremely popular and in continual use whenever children are outdoors. Pupils' gross motor skills, coordination and confidence showing improvement.
To source PE and physical literacy equipment and resources and PE enrichment activities for children.	Worn items replaced, new resources added.	£378	PE better resourced. Ongoing investment required.
