

## South Kilworth Sport Premium 2018-2019 Review

Provision	Focus Area	Cost	Focus and Impact
<p>To buy into Learning South Leicestershire School Sports Partnership sports package and affiliation with Lutterworth section of Leicestershire and Rutland School Sports Association. Giving access to the development of teaching and subject knowledge in physical education for PE subject leader and other teaching staff, access to the School Games and coordinated local competitions, Sporting Ambassador training.</p>	Increase in the amount of competitive sporting opportunities for pupils and the number of pupils participating.	£2000	Access to the development of teaching and subject knowledge in physical education for PE subject leader and other teaching staff. Access to the School Games and coordinated local competitions, higher participation. Winners of some of the following Lutterworth area schools competitions: see participation list on school games mark .
	Success in a wide range of local competitions.		Participation and success celebrated on Twitter and via school newsletter.
	Achievement of School Games Silver Award.		<b>Awaiting accreditation by September 2019.</b>
	Support for PE subject leader.		PE leaders facilitated to organise competition and become more confident in monitoring and assessing standards in PE.
	Sporting ambassadors well trained supporting PE within school.		Sporting Ambassadors trained and effective in supporting PE in school.
<p>Staff development of teaching physical education and physical literacy and hire qualified sports coaches to work with teachers.</p>	Staff have acquired new skills.	£4,500	Positive feedback from staff on quality of courses attended and impact training has on teaching and learning. Staff upskilled through attendance at training.
	Increase in attainment and progress of children in relation to fundamental movement skills, physical fluency and key competencies across all areas delivered in PE.		A range of activities to engage pupils who are often reluctant to participate in extra-curricular sports activities were provided, including archery, Frisbee, gymnastics, scooter and skate day, which raised the level of enjoyment and competency. In general the uptake for after school sports clubs is better with a good range.
<p>Funds used to subsidise transport to support parents with the costs of swimming lessons, transport to other sporting events and for class cover to ensure that sporting events are well attended and that pupils are appropriately supervised.</p>	Achievement of children recognised. Participation encouraged.	£1,500	Inter-school competition encouraged and participation increased, especially in Spring and Summer terms. Very successful competitive events facilitated, including whole school swimming gala. Pupils swimming achievements improved because of effective differentiation. 100% of Year 6 children could swim 25 metres.
<p>Medals for sports day and swimming gala to reward children's achievements.</p>	Achievement of children recognised. Participation encouraged.	£50	Positive feedback from children, PE coordinator. In school competition encouraged and participation in sport encouraged by all. Medals popular with children.
<p>Sporting ambassador – Sports Achiever of the Year award to reward sporting achievements within and beyond school..</p>	Sports ambassadors well trained, children encouraged to participate in sports within and beyond school. Achievements recognised.	£10	Feedback from children, PE coordinator. Profile of sports raised. Participation and success encouraged and recognised within and beyond school. Sports Ambassadors wrote own certificates to encourage and reward good sportsmanship as well as recognising other pupils' physical skills.

Replace worn out small sports equipment and repair and enhancement of existing outdoor equipment.	Improvement in quality and challenge of PE equipment and outdoor large apparatus being used to enhance PE sessions.	£2000	Equipment has proved to be extremely popular and in continual use whenever children are outdoors. Pupils' gross motor skills, coordination and confidence showing improvement. NB – delay to construction of the school hall meant difficulties experienced in accessing school field during Spring and Summer terms.
Provide large PE equipment for the school hall expected to be built during Spring 2019 with funds from a government Condition Improvement Bid.	Improvement in quality and challenge of indoor large apparatus being used to enhance PE sessions.	£5000	Two factors have meant that this money has not been committed as originally planned. Firstly, the hall construction (delayed until end of summer term 2019) did not allow for the weight-bearing element required for of fixed large apparatus. Secondly, much of the large apparatus previously used and stored at the village hall was in good enough condition to re-use at school. Some monies redirected to small PE equipment exclusively for indoor use. Remainder to be rolled over for use to improve playground next academic year.
Specialist sports coaching through service providers for curricular and after school PE and sports.	Provide PE and Physical Literacy equipment and resources and healthy lifestyle activities for children.	£378	Worn items replaced, new resources added. PE well resourced. Health and mental wellbeing promoted.
<b>Total spending: £13,180</b> <b>Sports Grant: £16680</b> <b>£3500 to be carried forward to 2019/20 budget to fund playground improvements.</b>
