Last Day of Term

Our Week in School

As we write this newsletter we are fully immersed in our Creative Week, with the sounds of buzzing, chopping and snipping coming from all the classrooms.

Tall Oaks designed and made Electric Buzzwire games, which look and sound very exciting!

Saplings tasted lots of different ingredients and designed their healthy lunches. The classroom looked like a very busy café with wraps, rolls and sandwiches everywhere!

Whilst Acorns explored structures in their park and designed and made a freestanding structure to build their own piece of playground equipment.

Internet Safety Day Tuesday 8th February

This week we have held special Internet Safety lessons to learn about how to have fun but also keep safe online. Each class has covered different aspects of internet safety in their classes. If you would like further information on how to support your children with internet safety at home, there is some useful information plus hints and tips on the following website:

<https://saferinternet.org.uk/guide-and-resource/parents-and-carers-at-home>

Dodgeball Tournaments

There are still spaces for three boys in the year 3/4 dodgeball tournament on Wednesday 23rd February and one girl in the 5/6 dodgeball team for Thursday 24th February. If your child would like to take one of these places, please complete the online form which was sent out on Friday 4th February.

Exciting events

Due to recent events and guidance we have been unable to hold our usual events in school or we have needed to adapt them. However, as the guidance changes we have been able to start planning lots of exciting ways to rebuild our community feel within school. Please see the **School Diary** section for further information.
