Well done to Tall Oaks class who won the reading challenge this week. They have chosen the next book in the Chronicles of Narnia Series – The Voyage of the Dawn Treader.

World Book Day

We would like all children to bring their favourite book in to school (this might be their school reading or library book!) Additionally, children can dress up as a character for the day if they wish.

Covid update - 0 Cases in school this week.

Our Week in School

Welcome back and we hope you had a wonderful half term. We are looking forward to welcoming in the spring and returning to our more usual calendar of events in school this half term. Please see the school diary opposite for some important dates for your diary.

Ash Wednesday

The children will be attending an Ash Wednesday service, lead by Sharon, in church on Wednesday 2nd March at 9am. We are delighted to be able to invite parents to attend this service.

Acorns – Open Afternoon

Next Friday (4th March) we shall be holding an open afternoon in the Woodland Hall for parents of Acorns class to come and view their books. Their teachers will be available to speak with informally and we shall have tea, coffee and cakes available. We are looking forward to seeing you! Please arrive at 2.45pm.

Year 5/6 Dodgeball Tournament

On Thursday evening, the year 5/6 team consisting of Noah, Ethan, Niamh, Sam, Emily, Frankie and Isabelle (who stepped in to complete the team) competed at Lutterworth College. It was a busy evening and they all played well. A total of 14 teams were entered by local schools and a lot of fun was had by everyone.

County Cross-Country Championships

On the wild, windy and rather chilly first Saturday of Half Term Dougie represented the Harborough District at the County Cross-Country Championships. It was a longer course with more competitors than the local races, and Dougie did his absolute best, giving his all, and finished well within the first half of the competitors. Well done Dougie.

Move It March

On Wednesday afternoon, Mr Khan from the LSLSSP (Learning South Leicestershire School Sports Partnership), accompanied by his assistant 'Active Anita' gave an assembly introducing Move It March to the children. It is similar to the activity challenge completed last year where children colour in a Lutterworth Lion for each 15 minutes of activity that they complete. Move it March runs from 1st to 31st March and children will be bringing home their Activity Trackers today in preparation for the beginning of March next week. To find out more, please click on the link to watch the promotional video [Move It March Promotion Video - YouTube](#). Additional information is also contained within the attached parent letter. Activities may be walking, running, virtual workouts, PE lessons or any exercise that requires physical exertion. There are 67 icons to complete in total and at various milestones, points will be rewarded, contributing to their class and schools Move It March score. The children were all extremely enthusiastic so please support them in their challenge.
